CAMP-A-THON, themed “We are Family, *Somos Familia*,” is about bringing together The Painted Turtle’s incredible community of campers and their families, volunteers, and supporters to celebrate another successful year of Camp!

*“This summer kids couldn’t go to the campsite and have a week long experience, but what The Painted Turtle did was bring Camp to all the campers wherever they may be, home or the hospital and they delivered what they always deliver; hope, magic, and a whole lot of fun!” –George Lopez*

The Painted Turtle’s mission is to provide a life-changing, and authentic camp experience for children with chronic and life-threatening illnesses. The Painted Turtle supports children’s medical needs, inspires them to reach beyond their illness, and provides care, education, and respite for their families. All campers and families attend free of charge. A member of the SeriousFun Children’s Network, an international family of camps founded by Paul Newman, The Painted Turtle is the only medical camp of its kind in California.
