

Help make a cozy blanket for a camper!

Looking for a warm way to give to Camp?

Thanks to generous donors like you, every camper who attends The Painted Turtle returns home with a camp keepsake: a stuffed Turtle Pillow and a fleece blanket as a memento of their magical experience.

Make a cozy blanket for campers ages 7-16. From classrooms to companies, this no-sew project is easy and fun for everyone!

Supplies

- 1-2/3 yds. of a colorful, age appropriate, print outerwear fleece
- 1-2/3 yds. of a solid outerwear fleece
- Fabric scissors and ruler or tape measure

Instructions

1. On a flat surface, line up the two fabric pieces, right sides out, and cut the pieces into a 56" or 58" squares.
2. Cut a small 5" square from each corner of the fabric pieces.
3. Using a ruler and sharp fabric scissors, cut through both fabric pieces to create fringe. The cuts about 1" wide and 4"-5" long.
4. With the blanket flat and the fringes lined up, use an overhand knot and tie the front and back fringes together.
5. Do this all the way around the edges. The knots should be snug up to the blanket, but not too tight. Be careful, the fabric stretches easily!
