

Calling all fun & caring volunteers!

Give children with serious medical conditions a Camp experience they'll always remember.

Help us create Camp magic by becoming a volunteer.

Every child deserves to experience the life-changing power of camp. **The Painted Turtle** provides year-round camp experiences for children with serious medical conditions. Located in Lake Hughes, California, The Painted Turtle is a proud member of the global SeriousFun Children's Network, founded by **Paul Newman**.

Every aspect of the intentional and adaptive programming at Camp—from a wheelchair-friendly ropes course to exceptional on-site medical care—is designed to allow all campers to participate in all activities. Since opening in 2004, over 122,000 children and their families have attended The Painted Turtle **completely free of charge**.

Spring & Fall Family Weekends:

- ♥ Family Weekend volunteers run activities or serve as Family Pals for an entire family.
- ♥ Volunteers arrive Friday afternoon and depart Sunday afternoon.
- ♥ Spanish speakers are always needed for these sessions!

Summer Sessions:

- ♥ Summer volunteers serve as cabin counselors during a 5-day session.
- ♥ Volunteers create the magic of Camp while living in a cabin with campers!
- ♥ Space is limited, so make sure you apply early!
