

## CORPORATE PARTNERS PROGRAM THE PAINTED TURTLE

Through financial gifts, event sponsorships, and employee involvement, Corporate Partners provide a unique, life-affirming experience for our campers. Your involvement will have a direct, tangible, and immediate impact on the children and families whom we serve. Our *Corporate Partners Program* is designed to showcase a company's generosity as well as fully engage employees through volunteer opportunities.

### ♥ Financial Support

Organizations can make contributions in any amount to support The Painted Turtle's general operation, a specific program, or a targeted giving campaign. Every dollar helps us keep our camp free of charge to our children and families! Giving opportunities may be designated to underwrite one or more of the following Camp Programs: Summer Sessions, Family Weekend Sessions, Hospital Outreach Initiatives, Cabinships, Camperships, Recreational Activities, and Capital Campaigns.

### ♥ Event Sponsorship & Participation

The Painted Turtle participates in a variety of athletic and star-studded events that raise critical funds and awareness for our year-round programs. Our athletic events and special events offer unique opportunities for new and existing partners to connect with the mission of camp.

### ♥ Employee Giving and Matching Gifts

Does your company conduct an Employee Giving Campaign or a Donation Drive? We would be happy to make a presentation to your employees about how they can support camp programs with payroll deduction gifts, office fundraising events, or collection drives. A wishlist collection drive is a great way to get employees involved. Check out the **Wishlist** on our website for our current needs.

Some companies also have Matching Gift Programs that will match the charitable gifts or volunteer hours of their employees. To find out if *your* company has a Matching Gifts program, contact your human resources department.

### ♥ Corporate Volunteer Days

Activate your employees with a unique and compelling volunteer experience at The Painted Turtle. Each year, we host annual corporate volunteer days where our corporate partners bring their team to help prepare our beautiful camp site for the arrival of campers and families. Our partners have used this as a remarkable teambuilding experience. Light breakfast, lunch and camp tours are provided.

### ♥ Community Fundraisers

We couldn't do what we do without the support of community event fundraisers! If you would like to host a fundraising event, please visit our website's "How You Can Help" page or contact us to discuss opportunities.

If you have any questions about ways to get involved, please contact our Foundations & Corporate Relations Manager, Candice Alvarado, at [candicea@thepaintedturtle.org](mailto:candicea@thepaintedturtle.org) or 310-451-1353 x 105.
